Car Rollover Causes Injuries

At approximately 3:30 p.m. on January 20, emergency personnel responded to US 93/95 northbound approaching Railroad Pass, after several 911 calls were received reporting that a silver Pontiac Grand AM had rolled over. According to a witness, the vehicle left the roadway after the driver lost control and over-corrected causing the vehicle to overturn.

Boulder City Police and Fire personnel arrived at the scene and found the driver conscious and breathing, with no apparent life-threatening injuries. The driver was transported by ambulance to St. Rose Siena Hospital.

The driver's name has not yet been released pending notification of next of kin. Investigation into the cause(s) of this rollover is ongoing.

The Police Department's Traffic Safety Bureau is asking anyone who witnessed the accident to call Sergeant John Glenn at the number listed above.
